We make it easy. Find out how.

Our Catastrophic plan has one major goal in mind: Making sure you stay healthy and that you get access to the quality care you need when you need it. That’s why you’re covered for preventive care to emergencies, and more!

What’s covered?

- 1Preventive and wellness services and managing a chronic (ongoing) disease
- Outpatient (ambulatory) patient care
- Emergency services, like going to the ER or urgent care
- Inpatient care (when you stay overnight in a hospital)
- Laboratory services
- Prescription drugs
- Rehabilitative and habilitative services (habilitative services help a person learn, keep or improve skills they may not be developing normally)
- Mental health and substance abuse services
- Maternity (pregnancy) and newborn care
- Pediatric services (health care for children)

Prescription drug coverage

Prescription drug benefits help cover the cost of medications your doctor prescribes. We’re here to help you better understand your prescription drug plan and the choices you have when it comes to selecting, paying for and purchasing these medications.

To find out if your medication is covered, take a look at our drug list at anthem.com > Customer Support > Forms Library > Anthem Select Drug List. Covered medications are assigned to certain tiers (or levels) based on cost, availability and similar alternatives. By selecting a Tier 1 medication, you may have a lower cost share. You can often save money by selecting a generic version of a medication. Or even save time by having medicine sent right to your home. Always talk to your doctor first about which medication is right for you.

You can also visit our Find a Doctor tool on anthem.com to see if your pharmacy is in our network.

Anthem HealthKeepers Catastrophic

What doctors can I see?

The health care plans we offer are DirectAccess plans. With this type of plan, you have the freedom to see any in-network doctor you choose. It’s also a good idea to have a primary care physician (PCP) for things like checkups and health issues that need ongoing care. However, you’re not required to select a PCP.

What is an in-network provider?

When you need care, you will get the best value by visiting an in-network doctor, hospital or other health care provider. In-network (or participating) refers to doctors, hospitals and other health care providers that have agreed to accept lower negotiated rates (discounted prices) for their covered services. These agreed upon rates can help lower the cost of covered health care services, including your share of the costs. This is true when you’re paying the whole cost for covered services (such as while you are meeting your deductible). And it’s also true when we are sharing the cost (while you are meeting your out-of-pocket limit).

Out-of-network (or nonparticipating) refers to doctors, hospitals and other health care providers that are not contracted with your health plan to provide services at a negotiated rate. Our plans do not offer out-of-network benefits (with the exception of emergency and urgent care). This means you will pay the entire cost for any service you get from out-of-network providers.

To find out if your current health care provider is in our network, visit our Find a Doctor tool on anthem.com.

1Preventive and wellness services consist of services recommended by the United States Preventive Services Task Force, including well-child care, immunizations, PSA screenings, Pap tests, mammograms and more.
Below is a sample of commonly used benefits and how they are covered on this plan. If you need more information about a certain benefit that is not listed here, please check with your HealthKeepers, Inc. (HealthKeepers) authorized representative. You can view and compare plans at anthem.com. For more information on how to access a Summary of Benefits and Coverage (SBC), please visit www.healthcare.gov and enter SBC in the search field.

Eligibility

Subscriber

To be eligible for membership as a subscriber under your Evidence of Coverage, the applicant must:

1. Be a United States citizen or national; or
2. Be a lawfully present non-citizen for the entire period for which coverage is sought; and
3. Be a legal resident of Virginia;
4. Be under age 65;
5. Submit proof satisfactory to HealthKeepers, Inc. (HealthKeepers) to confirm dependent eligibility;
6. Agree to pay for the cost of premium that HealthKeepers requires;
7. Reveal any coordination of benefits arrangements or other health benefit arrangements for the applicant or dependents as they become effective;
8. Not be incarcerated (except pending disposition of charges);
9. Not be entitled to or enrolled in Medicare Parts A/B and/or D;
10. Not be covered by any other group or individual health benefit plan.

For purposes of eligibility, the service area is the area in which you:

1. Reside, intend to reside (including without a fixed address); or
2. The area in which you are seeking employment (whether or not currently employed); or
3. Have entered without a job commitment.

Dependents

To be eligible for coverage to enroll as a dependent, you must be listed on the enrollment form completed by the subscriber, meet all dependent eligibility criteria and be:

1. The subscriber’s legal spouse.
2. The subscriber’s domestic partner as determined eligible by the Exchange.
3. The subscriber’s or the subscriber’s spouse’s children, including stepchildren, newborn and legally adopted children under age 26.
4. Children under age 26 for whom the subscriber or the subscriber’s spouse is a legal guardian.

Eligibility will be continued past the age limit only for those already enrolled dependents who cannot work to support themselves by reason of intellectual or physical disability. These dependents must be allowed as a federal tax exemption by the subscriber or subscriber’s spouse. The dependent’s disability must start before the end of the period he or she would become ineligible for coverage. The Plan must certify the dependent’s eligibility. The Plan must be informed of the dependent’s eligibility for continuation of coverage within 30 days after the dependent would normally become ineligible. You must notify us if the dependent’s tax exemption status changes and if he or she is no longer eligible for continued coverage.

The Plan may require the subscriber to submit proof of continued eligibility for any enrolled child. Your failure to provide this information could result in termination of a child’s coverage.

Temporary custody is not sufficient to establish eligibility under your Evidence of Coverage.

Any foster child who is eligible for benefits provided by any governmental program or law will not be eligible for coverage under your Evidence of Coverage unless required by the laws of this State.

Open Enrollment

An annual open enrollment period is provided for enrollees. Individuals may enroll in a plan, and members may change plans at that time.

Effective dates for open enrollment period:

The earliest effective date for the annual open enrollment period is the first day of the following benefit calendar year – if not defined. The actual effective date is determined by the date we receive a complete application with the applicable premium payment. Effective date for the annual open enrollment period is the first day of the following month if receipt of application is between the 1st and 15th; if the receipt of premium is after the 15th, your effective date will be the first day of the month following plus one additional month (example: application with premium receipt is January 20, your effective date is March 1).

Special Enrollment

A special enrollment period is a period during which a member or an enrollee who experiences certain qualifying events or changes in eligibility may enroll in a plan, outside of the annual open enrollment period.
Length of special enrollment periods: Unless specifically stated otherwise, an individual or enrollee has 60 calendar days from the date of a qualifying event to select a plan.

Qualifying Events:
- Involuntary loss of minimum essential coverage for any reason other than fraud, intentional misrepresentation of a material fact or failure to pay premium;
- Loss of minimum essential coverage due to dissolution of marriage;
- Marriage;
- Adoption or placement for adoption; and
- Birth.

Newborn and Adopted Child Coverage

A newborn dependent may be covered from the moment of birth and a dependent placed with you for adoption is covered from the date of placement. Coverage for newborns will continue beyond the 31 days, provided the subscriber with other than family coverage submits through the Plan a form to add the child under the subscriber’s Evidence of Coverage. The form must be submitted along with the additional premium, if applicable, within 60 days after the birth of the child. Failure to notify the Plan and pay any applicable premium during this 31 day period will result in no coverage for the newborn or adopted child beyond the first 31 days. A child will be considered adopted from the earlier of: (1) the moment of placement for adoption; or (2) the date of an entry of an order granting custody of the child to you. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

Adding a Child due to Award of Guardianship

If a subscriber or the subscriber’s spouse files an application for an appointment of guardianship for a child, an application to cover the child under the subscriber’s Evidence of Coverage must be submitted to HealthKeepers within 60 days of the date of the appointment of guardianship. Coverage will be effective on the date the appointment of guardianship is awarded by the court.

Qualified Medical Child Support Order

If you are required by a Qualified Medical Child Support Order or court order, as defined by applicable state or federal law, to enroll your child under your Evidence of Coverage, and the child is otherwise eligible for the coverage, HealthKeepers will permit your child to enroll under your Evidence of Coverage, and we will provide the benefits of your Evidence of Coverage in accordance with the applicable requirements of such order.

A child’s coverage under this provision will not extend beyond any dependent age limit. Any claims payable under your Evidence of Coverage will be paid, at HealthKeepers’ discretion, to the child or the child’s custodial parent or legal guardian, for any expenses paid by the child, custodial parent, or legal guardian. We will make information available to the child, custodial parent, or legal guardian on how to obtain benefits and submit claims to us directly.

Effective Date of Coverage

The earliest effective date for the annual open enrollment period is the first day of the following benefit calendar year – if not defined. The actual effective date is determined by the date we receive a complete application with the applicable premium payment. Effective date for the annual open enrollment period is the first day of the following month if receipt of application and premium is between the 1st and 15th of the month. If receipt of application and premium is after the 15th of the month, your effective date will be the first day of the month following plus one additional month (example: application with premium receipt is January 20, your effective date is March 1).

Effective dates for special enrollment periods:
1. In the case of birth, adoption or placement for adoption, coverage is effective on the date of birth, adoption, or placement for adoption; and
2. In the case of marriage, or in the case where an individual loses minimum essential coverage, coverage is effective on the first day of the following month after your application is received.

Effective dates for loss of minimum essential coverage includes loss of eligibility for coverage as a result of:
1. Legal separation or divorce;
2. Cessation of dependent status, such as attaining the maximum age;
3. Death of an employee;
4. Termination of employment;
5. Reduction in the number of hours of employment; or
6. Any loss of eligibility for coverage for any of the following:
   - Individual who no longer resides, lives or works in the Plan’s service area,
   - A situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits,
   - A situation in which a plan no longer offers any benefits to the class of similarly situated individuals that includes the individual,
   - Termination of employer contributions, and
   - Exhaustion of COBRA benefits.

Effective dates for loss of minimum essential coverage does not include termination or loss due to:
1. Failure to pay premiums on a timely basis, including COBRA premiums prior to expiration of COBRA coverage, or
2. Situations allowing for a rescission such as fraud or intentional misrepresentation of material fact.
Guaranteed Renewable

Coverage under your Evidence of Coverage is guaranteed renewable at your discretion. You may renew your Evidence of Coverage by payment of the renewal premium by the end of the grace period of the premium due date, provided the following requirements are satisfied:

1. Eligibility criteria continues to be met;
2. There are no fraudulent or intentional misrepresentations of material fact on the application or under the terms of this coverage, subject to the incontestability provision;
3. Membership has not been terminated by HealthKeepers under the terms of your Evidence of Coverage; and
4. Membership has not been rescinded by HealthKeepers.

HMO Providers

An HMO is a medical group, HMO physician, hospital, skilled nursing facility, pharmacy, or any other duly licensed institution or health professional who has Evidence of Coverage with the HMO or its designee to provide covered services to members. A list of HMO providers is made available to each subscriber prior to enrollment. A current list may be obtained from the HMO upon request and may be seen by visiting the HMO’s website page at anthem.com. The list shall be revised by the HMO from time to time as the HMO deems necessary.

How to Find a Provider in the Network

There are three ways you can find out if a provider or facility is in the network for this Plan. You can also find out where they are located and details about their license or training.

- See your Plan’s directory of in-network providers at anthem.com, which lists the doctors, providers, and facilities that participate in this Plan’s network.
- Call Customer Service to ask for a list of doctors and providers that participate in this Plan’s network, based on specialty and geographic area.
- Check with your doctor or provider.

If you need help choosing a doctor who is right for you, call the Customer Service number on the back of your Member Identification Card. TTY/TDD services also are available by dialing 711. A special operator will get in touch with us to help with your needs.

Tier 1 and Tier 2 Hospitals

We have designated certain hospitals as participating in Tier 1 or Tier 2. Tier 1 hospitals have lower costs to the member. Tier 2 hospitals are more costly. While these hospitals are contracted with us, we make no representation on the relative quality of the services. When a member goes to an out-of-network hospital, there is no agreement on the cost of the service and the member is responsible for the entire amount the provider charges.

Below are examples of what criteria is used to determine whether a hospital was allocated to Tier 1 or Tier 2. In communities where there was only one hospital, these hospitals were allocated to Tier 1:

- Total share of payments by region of the Commonwealth
- The number of admissions per hospital and region
- The average length of stay per hospital
- The percentage of admissions over our contractual threshold
- The current case mix adjusted case rate by hospital and by region.
- The effective hospital discount inclusive of patient pay
- The percentage of claims paid on stop loss by hospital and hospital system
- The average charge increase by hospital and hospital system
- The hospital efficiency ratio based on Virginia Health Information reported actual length of stay divided by expected length of stay.

Outpatient Hospital Services

These are services provided in the hospital’s outpatient department, or, if medically necessary, in the hospital’s emergency room. We cover:

- Services and supplies used to diagnose or treat injuries resulting from an accident (including follow-up care);
- Services and supplies used to diagnose or treat the sudden onset of a severe emergency medical condition; and
- Services and supplies related to, and provided at the same time as a covered outpatient surgical services. Examples include:
  1. Anesthesia and its related supplies; and
  2. Operating and recovery room use.

Outpatient Care for an Inpatient from another Hospital

The ancillary services listed under the Inpatient Hospital Services provision of this section are covered at a different hospital location if the facility where you are an inpatient cannot provide the medically necessary service you need.

Requesting Approval for Benefits

To receive full benefits for covered inpatient hospitalization services you, a friend, a family member, your provider or facility must call us to receive admission approval for the proposed service.

Prior Authorization: In-network providers must obtain Prior Authorization in order for you to get benefits for certain services. Prior Authorization criteria will be based on many sources including medical policy, clinical guidelines, and pharmacy and therapeutics guidelines. We may decide that a service that was prescribed or asked for is not medically necessary if you have not first tried other medically necessary and more cost effective treatments.
You have the right to:

- Work with your doctors in making choices about your health care.
- Follow the care plan that you have agreed on with your doctors and other health care professionals.
- Tell your doctors or other health care professionals if you don’t understand any care you are getting or what they want you to do as part of your care plan.
- Follow the care plan that you have agreed on with your doctors and other health care professionals.
- Follow all Plan rules and policies.
- Let our Customer Service department know if you have any changes to your name, address or dependents covered under your Plan.
- Pay your monthly premium. Your Evidence of Coverage is issued to the subscriber. The HMO agrees to provide covered services to you under the terms contained in your Evidence of Coverage. The subscriber must pay the applicable premium on or before the last business day of each month preceding the next month’s coverage.

Types of Requests

- **Precertification** – A required review of a service, treatment or admission for a benefit coverage determination which must be done before the service, treatment or admission start date. For emergency admissions, you, your authorized representative or doctor must tell us within 48 hours of the admission or as soon as possible within a reasonable period of time. For labor / childbirth admissions, precertification is not needed unless there is a problem and/or the mother and baby are not sent home at the same time.

- **Predetermination** – An optional, voluntary Prospective or Continued Stay Review Request for a benefit coverage determination for a service or treatment. We will check your coverage to find out if there is an exclusion for the service or treatment. If there is a related clinical coverage guideline, the benefit coverage review will include a review to decide whether the service meets the definition of medical necessity under this coverage or is experimental/investigative as that term is defined in your coverage.

- **Post Service Clinical Claims Review** – A Retrospective Review for a benefit coverage determination to decide the medical necessity or experimental/investigative nature of a service, treatment or admission that did not need precertification and did not have a predetermination review performed. Medical reviews are done for a service, treatment or admission in which we have a related clinical coverage guideline and are typically initiated by us.

Typically, in-network providers know which services need Precertification and will get any Precertification or ask for a Predetermination when needed. Your primary care physician (PCP) and other in-network providers have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering provider, facility or attending doctor will get in touch with HealthKeepers to ask for a Precertification or Predetermination review (“requesting provider”). HealthKeepers will work with the requesting provider for the Precertification request. However, you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older.

Section H – Significant Terms, Conditions and Authorizations (TERMS)

Please read this section carefully before signing the application.

- I understand that although HealthKeepers, Inc. requires payment with my application, sending my initial premium with this application, and the receipt of my payment by HealthKeepers, Inc., does not mean that coverage has been approved. I may not assign any payment under my HealthKeepers, Inc. program. I am applying for the coverage selected on this application. I understand that, to the extent permitted by law, HealthKeepers, Inc. reserves the right to accept or decline this application, and that no right whatsoever is created by this application. I understand that if my application is denied, my bank account or credit card will not be charged.

- I am responsible to timely notify HealthKeepers, Inc. of any change that would make me or any dependent ineligible for coverage.

- I understand HealthKeepers, Inc. may convert my payment by check to an electronic Automated Clearinghouse (ACH) debit transaction and that my original check will be destroyed. The debit transaction will appear on my bank statement although my check will not be presented to my financial institution or returned to me. This ACH debit transaction will not enroll me in any HealthKeepers, Inc. automatic debit process and will only occur each time I send a check to HealthKeepers, Inc. Any resubmissions due to insufficient funds may also occur electronically. I understand that all checking transactions will remain secure, and my payment by check constitutes acceptance of these terms.

- By signing this application, I agree and consent to the recording and/or monitoring of any telephone conversation between HealthKeepers, Inc. and myself.

- I understand I am applying for individual health coverage which is not part of any employer-sponsored plan. I certify that neither I nor any dependent is receiving any form of reimbursement or compensation for this coverage from any employer. I understand that I am responsible for 100% of the premium payment and I am also responsible to ensure that premiums are paid.

- I understand that my domestic partner, if applicable, is only eligible for coverage if: he or she has been my sole domestic partner for 12 months or more; he or she is at least 18 years of age; he or she is mentally competent; he or she is not related to me in any way (including by blood or adoption) that would prohibit us from being married under state law; he or she is not married to or separated from anyone else; and he or she is financially interdependent with me.

- By checking this box, I authorize and expressly consent that HealthKeepers, Inc. and its affiliated companies may send e-mail communications instead of sending communications by mail, including but not limited to legally required Plan Notices and underwriting, enrollment and billing and explanation of benefits statements, to the e-mail address I have provided on this Application. I understand that I can revoke this authorization or request paper copies at any time free of charge by contacting HealthKeepers, Inc. customer service or online at www.anthem.com.

- I acknowledge that I have read the Significant Terms, Conditions, and Authorizations, and I accept such provisions as a condition of coverage. I represent that the answers given to all questions on this application are true and accurate to the best of my knowledge and belief, and I understand they are being relied on by HealthKeepers, Inc. in accepting this application. Any act, practice, or omission that constitutes fraud or intentional misrepresentation of material fact found in this application may result in denial of benefits, rescission or cancellation of my coverage(s).

Dental and vision coverage for your whole health

The mouth and eyes are important parts of your body and your health. Regular dental and vision checkups can help find early warning signs of disease. So complete health coverage is more than just medical coverage, it also includes dental and vision coverage.

Health care reform

Essential health benefits include dental and vision

You’ve probably heard about the Affordable Care Act (ACA), also known as health care reform. Starting on January 1, 2014, many health plans will be required to cover 10 essential health benefits, including one for dental and vision for children.

Pediatric dental is one of 10 essential health benefits that individuals are responsible for purchasing in the off-exchange marketplace. To comply with the ACA, consumers have the following purchase options:

- A medical plan that has pediatric dental essential health benefits coverage, or
- A standalone pediatric dental essential health benefits policy, or
- A standalone adult or family dental plan that includes pediatric dental essential health benefits coverage.

On exchange

This means buying your coverage through the exchange, also known as the Health Insurance Marketplace, which is run by the state or federal government.

If you’re eligible for a subsidy to help pay for your health coverage and want to use it, you must get your medical plan through the exchange.

To learn more, visit your state’s exchange website at www.healthcare.gov.

Off exchange

If you aren’t eligible for a subsidy, or if you’re shopping for a dental or vision plan, you don’t have to buy through the exchange. You can still get coverage as before, through a broker or agent, or directly from an insurance company. Because there are rules for plans on the exchange, you might find that plans off the exchange offer more choices.

Our off-exchange products

Anthem Blue Cross and Blue Shield (Anthem) can help you get the dental and vision care you need — which can help you get a better handle on your total health. That’s why many of our dental plans include exams, cleanings and X-rays covered 100%, and all of our vision plans include coverage for yearly vision exams.

Anthem dental plans

We offer a variety of individual and family dental plan options to fit your needs and budget. These plans include:

- Dental Prime for Individuals and Families
- Anthem Dental Adult and Anthem Dental Family plans

The table helps you compare your plan choices. So you have many ways to get the smile you want, and keep a healthy mouth.

Optional Blue View VisionSM plan available

You can add optional Blue View Vision benefits to your Dental Prime plan. This plan features:

This includes the nation’s leading retail stores like LensCrafters®, Sears OpticalSM, Target Optical®, JCPenney® Optical, and most Pearlie Vision® locations. These stores offer evening and weekend hours. You can also use your benefits at 1-800-CONTACTS®.

So any network provider can better understand your whole health.

We know that you have choices when it comes to health care coverage. Anthem Blue Cross and Blue Shield (Anthem) gives you access to complete dental coverage and one of the largest dental networks in the state. But cost is important to you too.

Because insurance can be a big part of your budget, we make every effort to keep our costs low – so you pay less for coverage.

The price you pay for your dental premium depends on several things, including how much dental care costs and where you live.

**How much will I pay each month for dental coverage?**

Premiums are often set by rating areas. In such a case, to find your monthly cost, look for your rating area based on the ZIP code or county of where you live. Then look at the rate charts. Different plans will have different rating areas and rate tables.

---

Anthem Dental Adult and Family plans

To find your cost for these plans, find your rate area and then select the table for the plan chosen for the adult member. With Anthem Dental Family plans, you will not be charged premiums for more than three children, even if the family has more children covered by the plan.

**Rate area 1: ZIP codes starting with 227-246; Rate area 2: all other ZIP codes**
